HANIYEH SEDEHI

SUMMARY

Experienced UX/UI Designer with a good background in creating intuitive and visually appealing user interfaces in games, web, and mobile. I have extensive proficiency in tools such as Adobe Photoshop, Figma, Adobe XD, and Sketch. My goal is to continue honing my skills and staying up to date with the latest design trends to create innovative and impactful designs.

WORK HISTORY

Alone Team UI/UX Designer (Vancouver, 4/2023 - Present)

VR SKY: Fighter jets Game UI/UX Design, [Demo](#)

- Developed user interface mockups and prototypes that clearly illustrate the game functionality and visually.
