HANIYEH SEDEHI

SUMMARY

- **I am Haniyeh Sedehi. As an UI and UX designer, I have full knowledge of Figma and Photoshop and familiarity with AdobeXD.**
- **I am very interested in being in a professional team, research for new User interface and User experience designs and increasing my knowledge.**

EXPERIENCE

VRSKY: Fighter Jets Game UI/UX Designer, 2023 [Demo](#)
Freelance - Vancouver**,** BC

- Developed user interface mockups and prototypes that clearly illustrate how game function and look like.
- Conducted usability tests to identify any design issues in existing products.
- Collaborated with developers to ensure compatibility between design and technical implementation.
- Worked closely with the engineering team to ensure the product vision is achieved.
- Developed detailed specifications for each feature within the game including level progression, character attributes and weapons systems.
- Analyzed player feedback from focus groups and surveys to further refine gaming experience.
- Generated reports outlining progress made on projects throughout the development cycle.
- Provided creative direction on art style, color palette and overall look and feel of the product.
- Selected colors, images, textures, and shapes to create game layout.

VR Sky UI/UX Web Designer, 2023 [Demo](#)
Freelance - Vancouver**,** BC

- Created prototypes, mockups, and visual designs to illustrate the look and feel of web pages.
- Collaborated with developers to ensure that design specifications were met.
- Checked copywriting, image design, banners, and other features for blending within site content and reviewed graphics for cohesive aesthetics.
- Developed easy-to-use interfaces that complied with project and client specifications.
